White Grass and Sand Series Resin Folding Chair with White Vinyl Cushion and Stainless Steel Hardware

PRODUCT DETAILS & OVERVIEW

The White Grass and Sand Series Resin Folding Chair (Patent Pending) is field ready for outdoor ceremonies, beach events, lawn receptions, and venues with soft or uneven ground. Its specialty U shaped bottom support helps distribute weight more evenly than standard folding chair legs, allowing safer placement on grass, sand, and other soft surfaces. Built with white resin, a white vinyl cushion, and stainless steel hardware, it delivers a clean event look with practical outdoor stability.

Key Features and Benefits

- Grass and Sand Series (Patent Pending) Design:** Built for outdoor event setups where standard folding chair feet can sink into grass, sand, or soft ground.
- Field Ready Stability:** Extra bottom support piece helps distribute weight and provides a safer seating setup on uneven outdoor surfaces.
- White Resin Frame:** Clean event ready finish works well for weddings, ceremonies, garden parties, and beach venues.
- White Vinyl Cushion:** Provides a coordinated padded seat that keeps the chair looking polished for guest seating.
- Stainless Steel Hardware:** Hardware detail supports outdoor use and helps maintain a clean, professional presentation.
- Folding Event Practicality:** Folds for transport, storage, and quick setup across rental fleets, venues, and outdoor event crews.

WARRANTY

2 Year Total Coverage — 1 Year Limited Warranty plus 1 Year Extended Warranty for a total of 2 years coverage

6" ChairMates Anti Sink Table Feet 4 Pack

PRODUCT DETAILS & OVERVIEW

Stabilize table setups on sand, grass, and soft outdoor surfaces with ChairMates 6" table feet designed for standard plywood and Steel Skeleton tables. The wider footprint helps distribute table leg pressure more evenly, reducing sinking and improving presentation at beach events, garden receptions, lawn dinners, and outdoor venues. Sold as a 4 pack, these warm gray table feet give event crews a practical accessory for safer, cleaner, and more dependable outdoor table layouts.

Key Features and Benefits

- **Outdoor Surface Support:** Helps tables sit more securely on grass, sand, and other soft event surfaces.
- **6" Wide Footprint:** Wider feet design helps distribute weight and reduce table leg sinking during outdoor setups.
- **Warm Gray Finish:** Neutral color keeps the accessory clean looking and easy to coordinate with event layouts.
- **4 Pack Set:** Includes four table feet for supporting one standard table setup.
- **Table Compatibility:** Designed to fit standard plywood and Steel Skeleton table legs.
- **Event Crew Essential:** Practical add on for beach weddings, lawn receptions, garden parties, and outdoor rental inventory.

Black Grass and Sand Series Resin Folding Chair with Black Vinyl Cushion and Stainless Steel Hardware

PRODUCT DETAILS & OVERVIEW

The Black Grass and Sand Series Resin Folding Chair (Patent Pending) is field ready for outdoor events where seating needs extra support on grass, sand, and other soft or uneven surfaces. Its specialty U shaped bottom support helps distribute weight more evenly than standard folding chair legs, reducing sinking and improving stability during guest seating. Built with a black resin frame, black vinyl cushion, and stainless steel hardware, it offers a polished look for ceremonies, lawn receptions, and beach setups.

Key Features and Benefits

- **Grass and Sand Series (Patent Pending) Design:** Built for outdoor seating layouts where standard folding chair feet can sink into soft ground.
- **Field Ready Stability:** Extra bottom support piece helps improve placement on grass, sand, and uneven outdoor surfaces.
- **Black Resin Frame:** Modern event ready finish coordinates well with formal, outdoor, and contemporary seating plans.
- **Black Vinyl Cushion:** Matching padded seat adds comfort while keeping the chair presentation clean and uniform.
- **Stainless Steel Hardware:** Hardware detail supports outdoor event use and helps maintain a professional finish.
- **Folding Event Practicality:** Designed for fast setup, efficient storage, and repeated transport for venues and rental fleets.
