7' White Portable Folding Bar with HPL Top and Durable Rubber Edge

This 7' white portable folding bar combines style and functionality. It boasts a high-pressure laminate (HPL) top and an internal shelf for enhanced liquid resistance. The bar's design includes four posts, with raised front and side panels to avoid liquid damage. To guarantee the bar's protection during transit, it is shipped in two heavy-duty boxes: one for the top and shelf, and another for the folding three-panel bar. We prioritize quality, ensuring your bar arrives in perfect condition.

PRODUCT DETAILS & OVERVIEW

Perfect for receptions, cocktail hours, and upscale venues, this bar delivers lasting performance. Finished in White for a refined, professional presentation. Designed in a versatile Folding style suited for a wide range of events. Built to handle frequent use while maintaining a polished, professional look.

Key Features and Benefits

- Stylish White Finish:** Coordinates seamlessly with event décor.
- Durable Construction:** Engineered for long lasting use in commercial venues.
- Event Ready:** Tailored for weddings, receptions, and rental programs.
- Spacious Design:** Provides ample surface area for serving and display.
- Elegant Finish:** Enhances décor while withstanding frequent handling.
- Versatile Folding Design:** Adaptable for weddings, banquets, and cocktail hours.

WARRANTY

1 Year Limited Warranty

Our limited warranty ensures furniture is free from defects in materials and craftsmanship for the specified period, covering the original purchaser only. It excludes damage from misuse, improper maintenance, normal wear and tear, or environmental factors. If eligible, we will repair, replace or provide parts at no cost, covering all shipping and handling fees. See our Warranty Policy for more details.

White Rectangular Bar Mover Wheel Platform for 6' Folding Bars, Left and Right Sides

PRODUCT DETAILS & OVERVIEW

Support faster bar setups with a wheel platform made to move 6 foot rectangular folding bar sections using a left and right side compatible design. This white bar mover helps teams reposition bar builds with less effort, improving workflow during load in, service changes, and teardown. Ideal for venues and rental fleets that frequently adjust bar layouts, it helps reduce lifting strain, speed up staging, and keep operations moving smoothly between bookings.

Key Features and Benefits

- **Wheel Platform for Bar Movement:** Helps roll and reposition 6 foot rectangular folding bar sections with less effort.
- **Left and Right Side Support:** Designed for flexible handling on either side during staging and layout adjustments.
- **Quicker Repositioning:** Makes it easier to adjust bar placement on site without slowing down service preparation.
- **Reduced Lifting Demand:** Helps crews minimize heavy lifting strain during frequent setup and teardown cycles.
- **White Matching Finish:** Bright, clean look that pairs well with white bar systems and premium event styling.
- **Event Operations Ready:** Useful accessory for rental fleets and venues that move bar builds often across floors and rooms.

WARRANTY

1 Year Limited Warranty

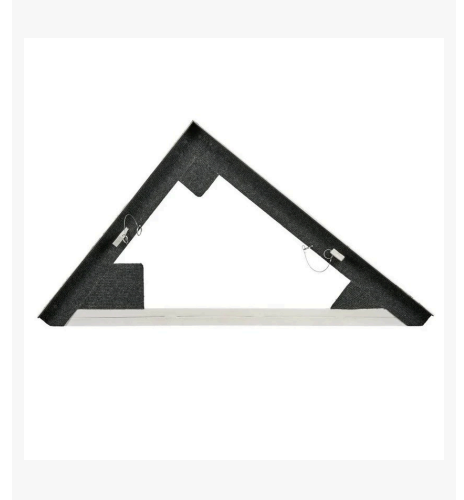

Our limited warranty ensures furniture is free from defects in materials and craftsmanship for the specified period, covering the original purchaser only. It excludes damage from misuse, improper maintenance, normal wear and tear, or environmental factors. If eligible, we will repair, replace or provide parts at no cost, covering all shipping and handling fees. See our Warranty Policy for more details.

White Rectangular Bar Mover Wheel Platform for 6' Folding Bars, Left and Right Sides

White Serpentine Bar Mover Wheel Platform for Serpentine Folding Bars, Left and Right Sides

PRODUCT DETAILS & OVERVIEW

Make curved bar builds easier to manage with a wheel platform made for serpentine folding bar sections. This mover supports left and right side handling so teams can shift bar placement quickly without slowing the setup schedule. Ideal for venues and rental fleets that frequently reconfigure bar layouts, it helps reduce lifting strain, speed up staging, and keep equipment moving smoothly from warehouse to event floor.

Key Features and Benefits

- **Wheel Platform for Curved Bars:** Designed to roll serpentine folding bar sections into position with less effort.
- **Left and Right Handling Design:** Works on either side to support flexible staging and quick on site adjustments.
- **Improves Setup Workflow:** Helps crews reposition bar curves faster during load in, service reflows, and teardown.
- **Reduces Handling Stress:** Minimizes heavy lifting to support safer installs and more efficient labor use.
- **White Matching Finish:** Bright, clean look pairs well with premium setups and white bar system inventories.
- **Designed for Repeat Operations:** Useful accessory for rental fleets and venues that move bar sections often.

White Serpentine Bar Mover Wheel Platform for Serpentine Folding Bars, Left and Right Sides

7' White 3 Panel Quarter Round Serpentine Bar with HPL Flush Top

PRODUCT DETAILS & OVERVIEW

Create bright, premium curved bar builds with an 84 inch quarter round serpentine section designed for flush presentation and fast setup. The three frame style adds structured detail for weddings and upscale events, while the folding format supports efficient transport and compact storage between bookings. Ideal as a corner anchor or as part of a larger arc, it helps define the bar zone and improve guest flow.

Key Features and Benefits

- **84 Inch Quarter Round Curve:** Shapes corners and supports smoother guest approach lines around the bar.
- **3 Frame Presentation:** Structured guest side look that elevates premium installs and photographs cleanly.
- **Flush Front Presentation:** Finished appearance without added facade panels or extra build time.
- **Folding Storage Efficiency:** Breaks down for transport and stacks more efficiently in warehouse storage.
- **White Premium Finish:** Bright tone stays photo ready and pairs with many palettes and styling directions.
- **Designed for Repeat Use:** Built for frequent handling, transport, and quick resets in high turnover operations.

7' White 3 Panel Quarter Round Serpentine Bar with HPL Flush Top

31" x 28" White Bar Post with HPL Top for Bar Setups and Displays

PRODUCT DETAILS & OVERVIEW

The 31" x 28" White Bar Post is designed for event professionals who require both durability and presentation value. With its laminated top and robust construction, this bar post serves as a reliable component in modular bar systems or as a stand-alone service station. Its crisp white finish adds elegance to weddings, galas, and upscale events, ensuring your venue or rental inventory maintains a polished, professional appearance.

Key Features and Benefits

- **31"x28" Dimensions:** Larger surface accommodates busier events.
- **Elegant White Finish:** Enhances formal and upscale decor.
- **Commercial-Grade Surface:** Laminate top ensures durability.
- **Modular Flexibility:** Integrates easily with portable bar systems.
- **Low Maintenance:** Easy to clean between events.
- **Professional Quality:** Trusted by caterers and rental companies.

31" x 28" White Bar Post with HPL Top for Bar Setups and Displays

7' White Single Panel Quarter Round Serpentine Bar with HPL Top

PRODUCT DETAILS & OVERVIEW

The 7 feet (84") White Serpentine Bar with 1 framed piece is a versatile, portable solution for weddings, banquets, and corporate events. Its laminated finish ensures long-lasting durability, while the white surface enhances the visual appeal of any venue. Designed for efficiency, this bar piece can stand alone or be combined with additional segments for larger setups. Lightweight yet built for commercial use, it is the perfect choice for event professionals seeking reliability with an elegant presentation.

Key Features and Benefits

- **Compact Quarter-Round:** 84" single frame ideal for smaller setups or add-ons.
- **White Laminate Finish:** Bright, clean look perfect for weddings and celebrations.
- **Folding Design:** Easy breakdown and storage between events.
- **Sturdy Construction:** Designed for heavy-duty rental and hospitality use.
- **Quick Cleaning:** Smooth laminate surface wipes down effortlessly.
- **Professional Presentation:** Enhances decor with a timeless, elegant style.

7' White Single Panel Quarter Round Serpentine Bar with HPL Top

7' White 3 Panel Quarter Round Serpentine Bar with HPL Top

PRODUCT DETAILS & OVERVIEW

The 7 feet (84") White Serpentine Bar with 3 framed pieces offers event professionals a modern, modular solution for building elegant bar setups. Crafted with a durable laminated finish, each piece provides commercial-grade strength while maintaining a clean, upscale look. Perfect for weddings, banquets, and conferences, this bar system allows for quick assembly, flexible layouts, and reliable performance. Its bright white finish ensures a polished presence that complements any event design.

Key Features and Benefits

- **Full Quarter-Round Setup:** Three sections combine into one seamless 84" bar.
- **Elegant White Finish:** Bright, timeless look for weddings and formal events.
- **Folding Portability:** Breaks down for easy storage and transport.
- **Durable Laminate Top:** Built to handle busy service environments.
- **Event-Grade Construction:** Perfect for frequent rental and commercial use.
- **Versatile Function:** Ideal as a main bar or supplemental event station.

6' White Portable Folding Bar with HPL Reversible Front, Flush Top & Shelf

PRODUCT DETAILS & OVERVIEW

Create a bright, premium bar presentation with a 6 foot portable folding bar built for fast setups and consistent guest facing polish. The reversible HPL front makes it easy to refresh the look for different events, while the flush top and integrated shelf improve service efficiency and organization behind the bar. A strong fit for weddings, lounges, and modern venues, this bar section stores efficiently and supports repeat installs across busy event calendars.

Key Features and Benefits

- **72" Portable Bar Section:** Versatile length for building pop up bars, satellite stations, and modular service layouts.
- **Reversible HPL Front Panel:** Quickly switch the guest facing look to complement different palettes, branding, or venue styling.
- **Flush Top Work Surface:** Clean, level top supports smooth service presentation and faster wipe downs between events.
- **Folding Storage Design:** Folds for compact storage and improved transport efficiency between events.
- **Integrated Shelf Storage:** Helps keep bar tools and supplies organized for faster bartender workflow during busy service.
- **6 Foot Portable Bar Section:** Ideal for pop up bars, cocktail hours, and modular configurations that scale for larger events.

WARRANTY

1 Year Limited Warranty

Our limited warranty ensures furniture is free from defects in materials and craftsmanship for the specified period, covering the original purchaser only. It excludes damage from misuse, improper maintenance, normal wear and tear, or environmental factors. 24" x 24" White Bar Post with HPL Top for Bar Setups and Displays

PRODUCT DETAILS & OVERVIEW

Clean and versatile, this 24" x 24" white bar post adds structure to bar builds while providing a durable HPL top for service or display. Use it to finish bar ends, create connectors between sections, or stage menus and decor in a way that looks intentional and photo ready. The HPL surface wipes clean fast and handles typical scuffs from event use, making it a practical choice for rental fleets and venues that flip spaces frequently. The bright white finish blends easily with weddings and corporate layouts.

Key Features and Benefits

- **Photo Friendly White Finish:** Bright white color creates a clean, upscale look that blends into wedding and corporate styling, helping bar setups appear polished and consistent in photos.
- **HPL Top for Easy Maintenance:** High pressure laminate top resists wear and supports quick wipe downs, making it ideal for high turnover events where surfaces must reset fast.
- **24" x 24" Modular Footprint:** Compact size works as an end cap, connector point, or standalone pedestal, supporting flexible bar configurations without consuming excess floor space.
- **Improves Bar Setup Presentation:** Helps bar runs look finished by defining ends and corners, reducing the unfinished look that can happen with open bar section edges.
- **Versatile Display Surface:** Useful for menus, signage, florals, or small beverage accessories, adding functional surface area near service zones without cluttering the bar top.
- **Built for Repeated Event Use:** Designed for frequent setup and teardown cycles in venues and rental operations, supporting consistent performance across many bookings.

24" x 24" White Bar Post with HPL Top for Bar Setups and Displays

6' White Portable Folding Bar with HPL Reversible Front, Top & Shelf

PRODUCT DETAILS & OVERVIEW

The 6 feet (72") White Portable Folding Bar is the go-to choice for venues and rental professionals seeking elegance and durability. Engineered with a resilient laminate top, this bar withstands the rigors of commercial use while offering a bright, clean look that complements any décor. Perfect for weddings, banquets, and upscale receptions, its folding design allows for quick assembly and efficient storage between events. Designed for easy transport, this bar ensures your staff can deliver reliable service time after time.

Key Features and Benefits

- **Folding Construction:** Easy to set up and store between events.
- **Laminate Top:** Smooth, durable surface for professional service.
- **72-Inch Width:** Spacious bar top accommodates large gatherings.
- **Timeless White Finish:** Provides a clean, elegant presentation.
- **Commercial Durability:** Designed for heavy-duty rental and hospitality use.
- **Versatile Application:** Perfect for banquets, weddings, and hotels.
