

Two Silhouettes. One Standard.

Lusso reimagines the classic ballroom chair in commercial-grade aluminum — two silhouettes for venues, planners and rental fleets that cannot choose between elegance and durability. Struck, stacked and shipped hundreds of times a year without losing the finish.

THE COLLECTION

Chiavari 2.0, Reimagined in Aluminum

CHAMPAGNE GOLD · MODEL CCA2CHG-AX

The Bellissimo

Wider and taller than a standard chiavari-style chair — built for guests who want to sit back rather than perch. A reinforced load-bearing structure and precision-engineered base deliver structural integrity with relaxed physical support.

- **Grand Visual Presence:** larger and wider than a traditional Chiavari chair.
- **Premium Silicone Cushion:** exceptional comfort that resists stains.
- **Self-Leveling Swivel Glides:** adapt to uneven flooring, eliminating wobble.
- **Integrated Stacking Protection:** guards minimize finish wear in transport.

METALLIC SILVER · MODEL CDA2S-AX

The Diamante

The Diamante turns the century-old ballroom chair into an architectural moment. Beneath the faceted diamond-lattice back is a lightweight commercial-grade aluminum frame engineered for years of demanding rental use.

- **Diamond-Inspired Design:** a faceted lattice back with real depth, not a printed pattern.
- **Premium Silicone Seat:** comfortable, stain-resistant and easy to clean.
- **Self-Leveling Glides:** adjustable feet keep chairs stable and protect floors.
- **Stacking Protection:** prevents scratches and finish wear in storage.

SELF-LEVELING SWIVEL GLIDE — THE MOST ADVANCED FOOT TECHNOLOGY AVAILABLE

INTEGRATED STACKING PROTECTION

BELLISSIMO · CHAMPAGNE GOLD IN SITU

BUILT TO WORK

Five Things Every Lusso Chair Has

Aluminum Frames

Commercial-grade aluminum keeps the chair light in the hand and strong enough for daily rental turns.

Self-Leveling Glides

Adjustable feet adapt to uneven floors, killing wobble and protecting finished surfaces.

Silicone Seating

Premium silicone stays comfortable, resists stains and wipes clean between events.

Stacking Protection

Purpose-built guards keep frames from scarring each other in storage and transport.

10-Year Warranty

Backed for a decade — built to be struck, stacked and shipped hundreds of times a year.
