ProMax 4' x 8' Portable Stage

PRODUCT DETAILS & OVERVIEW

A versatile and high-performance module, the ProMax™ 4'x8' Stage provides twice the space of the 4' version while maintaining the same robust design. This module features a reinforced surface, sturdy framing, and 4' wood connector for easy expansion. Suitable for concerts, ceremonies, school events, and mobile installations.

Key Features and Benefits

- **Expanded 4'x8' Surface:** Twice the size for enhanced performance space and dynamic setups.
- **Rugged Platform Material:** Designed to withstand high foot traffic and heavy equipment.
- **Included Connector:** 4' wood connector allows seamless linking with other stage modules.
- **Foldable and Stackable:** Saves time and space with stackable, fold-flat design.
- **Anti-Slip Top Layer:** Reduces slip risk for safer use during live performances.
- **Compatible System:** Integrates easily with full ProMax™ Stage accessories including skirts and stairs.

WARRANTY

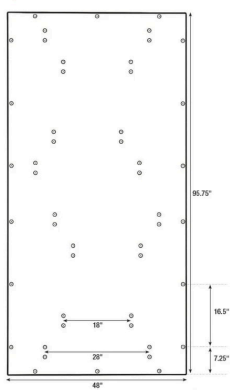

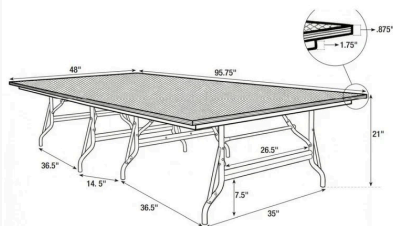

2 Year Total Coverage — 1 Year Limited Warranty plus 1 Year Extended Warranty, for a total of 2 years coverage.

ProMax 4' x 8' Portable Stage

ProMax 4' x 4' Portable Stage

PRODUCT DETAILS & OVERVIEW

Compact and durable, the ProMax™ 4'x4' Stage Module offers a reliable solution for small-scale staging needs. Made with a heavy-duty frame and commercial-grade platform, this module includes a 4' wood connector for seamless alignment with other modules. Perfect for intimate events, speeches, or as an extension piece in larger configurations.

Key Features and Benefits

- **Heavy-Duty Construction:** Engineered from commercial-grade materials for lasting durability and stability.
- **Compact 4'x4' Design:** Ideal for smaller event spaces, breakout platforms, or step-up stages.
- **Integrated Connector:** Comes with a built-in 4' wood connector to align securely with other modules.
- **Foldable Structure:** Folds flat for compact storage and easy transportation between venues.
- **Textured Surface Finish:** Provides enhanced grip for safety and comfort during performances.
- **Multi-Use Platform:** Supports DJs, speakers, or instruments in weddings, conferences, and performances.

WARRANTY

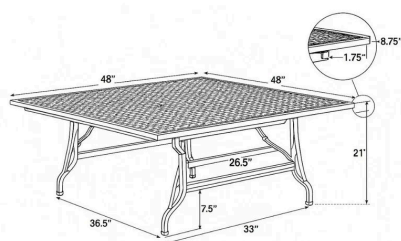

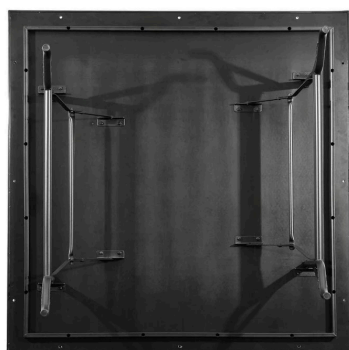

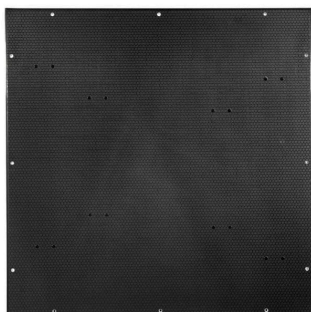

2 Year Total Coverage — 1 Year Limited Warranty plus 1 Year Extended Warranty, for a total of 2 years coverage.

ProMax 4' x 4' Portable Stage

ProMax 4' x 4' Quarter Round Corner Section

PRODUCT DETAILS & OVERVIEW

Transform your modular stage into a sleek, professional setup with this 4'x4' quarter-round corner module. Ideal for softening square stage layouts or enhancing front corners for ceremonies, performances, and fashion runways. Pairs seamlessly with 4'x4' and 4'x8' modular sections for dynamic configurations.

Key Features and Benefits

- **Custom Corner Finish:** Adds a polished curve to front corners for aesthetic enhancement.
- **Modular Integration:** Designed to work with 4'x4' and 4'x8' stage platforms.
- **Heavy-Duty Surface:** Built to support foot traffic and stage equipment.
- **Fast Attachment:** Installs easily using included modular connectors.
- **Multipurpose Use:** Perfect for weddings, fashion shows, and corporate events.
- **Stable Design:** Constructed for long-term professional-grade performance.

WARRANTY

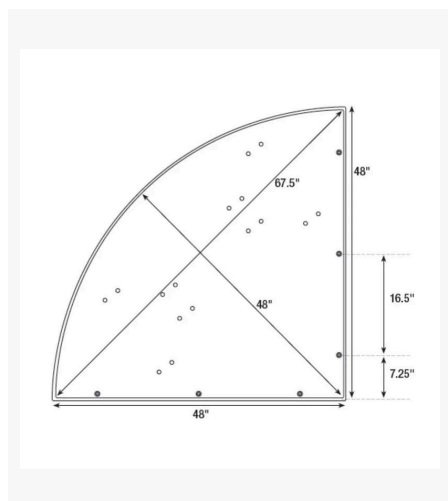

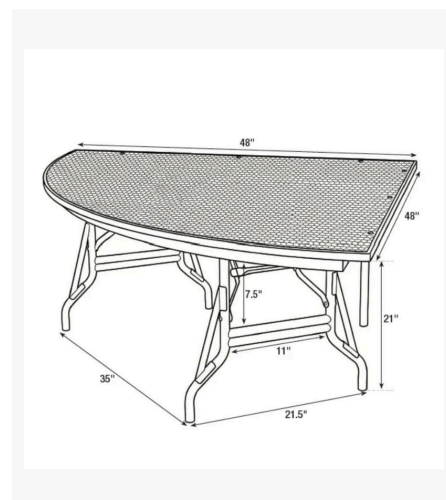

2 Year Total Coverage — 1 Year Limited Warranty plus 1 Year Extended Warranty, for a total of 2 years coverage.

ProMax 4' x 4' Quarter Round Corner Section

ProMax Portable Stage Steps with Rails - 2 Steps

PRODUCT DETAILS & OVERVIEW

Ensure safe and easy access to elevated platforms with this 2-step stair attachment. Designed for modular stages, these stairs feature anti-slip treads, steel frame support, and secure mounting hardware. Ideal for performances, ceremonies, and conference presentations requiring elevated entry.

Key Features and Benefits

- **Safe Step Access:** Provides secure entry to modular stage platforms.
- **Anti-Slip Treads:** Surface resists slipping in high-traffic use.
- **Strong Steel Frame:** Supports frequent setup and use at heavy-duty events.
- **Easy Installation:** Mounts directly to compatible modular stage edges.
- **Event Versatility:** Suitable for performers, speakers, and attendees.
- **Compact Storage:** Folds or detaches easily for transportation.

ProMax 2 Pack 4' Wide 3' High Portable Stage Railing Set

PRODUCT DETAILS & OVERVIEW

Add an extra layer of safety to your stage setup with this 36" high, 48" wide stage railing. Made from reinforced metal with two secure connectors included, it's ideal for safeguarding performers, guests, or speakers. Compatible with modular stages and quick to install for high-traffic events.

Key Features and Benefits

- **Stage Safety Perimeter:** Helps reduce edge risk and adds confidence for presenters, performers, and staff during active use.
- **ProMax System Compatible:** Designed to integrate with ProMax portable stage modules for consistent fit and a cohesive finished look.
- **2 Pack Set Value:** Provides two matching railings for faster coverage on common stage footprints and scalable layouts.
- **Fast Install Workflow:** Built for quick attachment and removal, supporting tight load in schedules and rapid room flips.
- **Commercial Use Construction:** Made for repeated handling, transport, and frequent event turnover in busy operations.
- **Clean, Professional Finish:** Creates an organized stage boundary that improves appearance, traffic flow, and overall event presentation.

ProMax 2 Pack 4' Wide 3' High Portable Stage Railing Set

16' Black Stage Skirt 21" High 180 GSM Polyester Linen with 16 Clips

PRODUCT DETAILS & OVERVIEW

Upgrade your event stage with this 16-foot black stage skirt, designed for a professional finish and quick installation. The durable polyester fabric hides frame and legs, while 16 included clips ensure a secure, wrinkle-free fit. Ideal for ceremonies, presentations, and performances needing a clean look.

Key Features and Benefits

- **Professional Coverage:** Conceals stage base for a clean and polished appearance.
- **Complete Kit:** Comes with 16 plastic clips for easy, secure attachment.
- **Heavy-Duty Fabric:** Made from high-quality black polyester for durability.
- **Fits Most Stages:** Designed for 16-foot modular platforms.
- **Easy to Install:** Clips attach quickly for efficient setup and takedown.
- **Event Versatile:** Perfect for weddings, graduations, and trade shows.
