White 48" x 12" x 30" Stage Facade with Front Overhang and Flush Sides

PRODUCT DETAILS & OVERVIEW

Create a bright finished stage front with this white 48" x 12" x 30" stage facade. Built with a front overhang and flush sides, this piece helps cover platform fronts, risers, ceremony stages, DJ booths, displays, and event production areas. The white finish is a clean choice for weddings, galas, corporate events, venues, and rental inventories that need modular stage facade pieces for polished guest facing setups.

Key Features and Benefits

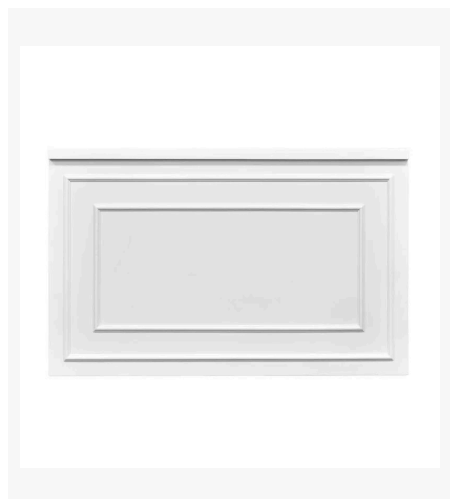

- **Stage Facade Panel:** Designed for platforms, risers, ceremony stages, DJ booths, and display setups.
- **48" x 12" x 30" Size:** Modular size helps build clean stage fronts and event facade layouts.
- **White Finish:** Bright clean color works well for weddings, ceremonies, galas, and premium event spaces.
- **Front Overhang Design:** Helps create a smooth finished look along the front of the stage area.
- **Flush Side Layout:** Supports cleaner side by side placement with matching facade components.
- **Rental Friendly Piece:** Useful for venues and event crews that reset stage layouts frequently.

White 12" x 12" x 34" Rounded Stage Facade Post

PRODUCT DETAILS & OVERVIEW

Create a clean finished transition for stage facade layouts with this white 12" x 12" x 34" rounded stage facade post. The rounded design works well at ends, corners, and panel transitions, helping stage fronts and event displays feel more complete. The white finish is a strong choice for weddings, ceremonies, galas, branded spaces, and rental inventories that need bright modular facade components.

Key Features and Benefits

- **Rounded Facade Post:** Adds a smooth finished accent to stage fronts and event displays.
- **12" x 12" x 34" Size:** Modular dimensions support flexible stage facade configurations.
- **White Finish:** Clean bright color works well for weddings, ceremonies, galas, and premium events.
- **Soft Corner Presentation:** Rounded profile helps create a polished transition between facade sections.
- **Modular Event Component:** Useful for ends, corners, display areas, and staged guest facing layouts.
- **Rental Inventory Ready:** Practical for event crews managing repeated stage facade setups.

White 12" x 12" x 34" Rounded Stage Facade Post

White 12" x 12" x 34" Stage Facade Post with 14" x 14" Top

PRODUCT DETAILS & OVERVIEW

Complete bright stage facade setups with this white 12" x 12" x 34" stage facade post featuring a 14" x 14" top. Designed for modular facade layouts, this post helps create finished ends, corners, and transition points for stage fronts, platforms, ceremonies, and event displays. The white finish delivers a clean polished look for weddings, galas, corporate events, venues, and rental crews.

Key Features and Benefits

- **Stage Facade Post:** Designed to finish stage fronts, modular facades, and event display areas.
- **12" x 12" x 34" Size:** Works as a modular post for facade transitions, ends, and corners.
- **14" x 14" Top:** Larger top cap detail adds a complete finished appearance.
- **White Finish:** Bright neutral color works well for ceremonies, weddings, galas, and premium events.
- **Polished Layout Support:** Helps define stage facade sections and create cleaner visual transitions.
- **Event Crew Friendly:** Useful for venues and rental fleets building repeatable staged presentations.
